

JOEL E. COURTIAL, M.S., D.D.S.  
FAMILY DENTISTRY

Dear Friends,

Aug 18, 2016

As I celebrate my 45th year of dentistry, 37 of which have been here in the Treasure Valley, I want to thank all of you who have given me the privilege of being your dentist. Your trust and confidence in me and my staff providing oral health care has been both professionally rewarding and personally humbling. The relationships that I have had with so many of you, has been a big part of my life and I will forever be grateful to consider you all friends. After much deliberation and a certain hesitation I have decided it's time to hand over the reins and transition gradually to the next chapter in my life. It has always been my goal to phase out gradually but not retire completely.

It is my desire to transition knowing that my patients will be left in competent and caring hands. As a result of careful valuation I have found Dr. Chris Thomason who will provide you with the same philosophy of excellent care that you expect and deserve. Dr. Thomason received his Doctorate of Dental Medicine from the University of Florida after graduating with multiple academic scholarships from BYU-Idaho. He has active memberships in the American Dental Association, Idaho State Dental Association and the Academy of General Dentistry. He has been practicing in the Treasure Valley for almost 10 years; you can expect the highest level of gentle care, integrity and trust. Recently he completed treatment on me and I couldn't be more pleased with his care. I'm confident he will do the same for you. He looks forward to serving you with gentle personalized care.

Our Staff (Julie, Brenda, Jennifer and Jessica) will remain with the practice and continue the same personal and professional relationships they have worked hard to establish.

Dr. Thomason and his wife Meredith were both raised in Rexburg. They have two beautiful children ages 2 and 4, who keep them very busy and always fun. Dr. Thomason's interests include fly fishing, bow hunting, and camping but his greatest enjoyment is creating memories with his kids.

I wish you all the very best in life and dental health in the future.

Joel E. Courtial M.S.,D.D.S.
